## DJ Galleon – Chillout NEX 2018

Since learning the basics of DJing at age 11, the last 15 years have seen GALLEON develop a keen ear for flawless mixing and an eclectic knowledge of all kinds of music to make you move and groove.

It is his first and foremost desire to see all people come together and dance to great music that drives him to play week in week out and assists in his choosing the right groove. House and Disco is almost always on the menu, but you can hear GALLEON playing anything from Tech house & Techno, Circuit, Afro, Latin, Hip Hop & RNB, and anything that goes straight to your soul, whether your on the floor or tapping your foot at the bar. There are many musical inspirations, with New York pioneer Larry Levan and his Paradise Garage being the biggest.

GALLEON moves crowds each week, using an encyclopaedic knowledge of dance music, crowd reactions and the vibe of a room to find the right groove.

In the studio, GALLEON is one half of BoogieKnights alongside Anthonne Shepherd and Chat Noir alongside Erik Veland. They have released several successful originals and ARIA Club Chart remixes and have heaps to come! Galleon has also recently released a techno original with Louderest "Vibe Of The Underground" which hit # 34 on the ARIA Club Chart.

Galleon contributes his hottest dance track weekly to Queer Radio

(4ZZZ) and has his Saturday night radio show "Togetherness" on Soulfinity Radio. He has also recently taken something of an interview role, shining the spotlight on Booka Shade, Mashd N Kutcher, Yolanda Be Cool and Celestial.

2018 has seen Galleon play guest spots at Brisbears (the Bear club of Brisbane) and BootCo (the Leather/Denim/Fetish club)

## DJ Les Smith – Underbear NEX 2018

After his first venture into a night club, the infamous Patches in Sydney in the late 70's Les Smith became hooked on dance music and has never looked back. DJing was not even remotely in his thoughts until in 1982 after moving to Brisbane he was asked to fill in for one night at The Terminus night club in Fortitude Valley after the accidental death of their DJ. What started as one night turned into 13 years working at The Terminus.

From the Terminus he has held residencies at all of Brisbane's major gay and lesbian venues, like Options, The Beat, Heaven, The Alliance and The Wickham Hotel where he held a residency for the 16 years. He has also held DJ residencies in Surfers Paradise at The Meeting Place and Manicure as well as guest spots at Escape on the Gold Coast.

As well as club events, Les has played throughout Australia in regional Queensland, Northern NSW, Sydney and Melbourne. He played in the RHI Pavilion for the 2005 Sydney Gay and Lesbian Mardi and has played numerous times at the infamous Toybox parties at Sydney's Metro Theatre and Luna Park. He has been the guest DJ at Sydney's Arq Nightclub as well as playing the Market in Melbourne and Adelaide's Sleaze Ball. Other major parties have included many Tropical Fruits events in Lismore, Wet Dreamin', Brisbears, Bootco, Brisbane Big Gay Day, Brisbane Queens Ball, Brisbane Sleaze Ball, Mass, Mancamp, White Wolf, The Not The Priscilla Tour, Aqualicious, Boot Co, Camp It, the infamous Beerburum Summer and Winter parties and Australia's first gay cruise, Navigatyon.

Depending on the venue or the party his music style can vary from funky house through to happy uplifting house and trance with a big dose of vocal anthems thrown in.
